## UPDATE ON THE REBUILD

It has been a long time since the Cocos Fire in May 2014. Harmony Grove Spiritualist Association (HGSA) has made great strides in rebuilding Association buildings.

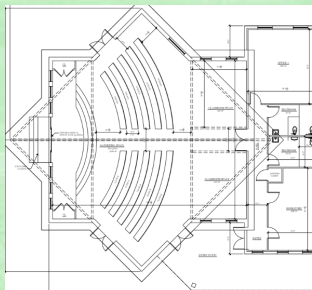

Quincey Cottage, which was damaged in the fire, has been repaired and has been rented by Association members.

Sunshine Cottage and Classroom, which was damaged in a flood, following the fire, will soon be ready for rental and classes. Former resident and now Trustee, Rick Bradshaw, has been in charge of work on Sunshine.

HGSA President Rev. Annette Cavender and Rev. Glenn Haddick have worked with the County to approve plans for

rebuilding.

Tentative plans for the church have been created by Architect Drew Hubbell. The church is to be located on the eastern

A proposed HGSA church design, with the top of the picture pointing north.

end of the Green. Offices, classrooms, bookstore, and bathrooms are on the right side of the church. The altar

and platform are on the left side of the church.

It has been a long and arduous task to shepherd the rebuild approvals through the County, but the end is in sight. The HGSA Board of Directors hopes to present good news to members at the Semi-Annual Meeting regarding the rebuild of the church.

At the same time that church rebuild plans are approved by the County, plans can be put in place for residences to also be rebuilt.

## NEW AND EASY FORMAT FOR EDUCATION CLASSES

The Education Committee has worked hard to create a new format for education classes.

The new schedule, which can be found on the HGSA website, allows students to complete their Healing Certificate in one year. The Mediumship Certificate is completed in another

year. Classes are held on Psychic Fair days, the first Saturday of each month.

The ministerial program follows a similar schedule, with Associate ministerial classes one year and Ordained ministerial classes the following

year.
